Actual performance values may vary with different ambient conditions. Features may vary from model to model.

Product Category	Rough Plumbing
Product Subcategory	Hot Water Dispenser
Model	BWD3FMGA
Brand Name	Blue Star
Manufacturer Name	Blue Star Limited
Model Year	
MRP(Rs.)	16000
Package Width (mm)	352
Package Depth (mm)	380
Package Height (mm)	990
Package Weight (kg)	13.8
Features	Convenient Drip Tray, Dispenses Hot Cold and Normal Water, Food Grade SS304 Tank, Function Indicating LEDs, Heavy Duty Compressor, Quiet Performance
Product Warranty	1 year warranty provided by the manufacturer from date of purchase

Product Description	
Specific uses for the product	Dispenses Hot Cold And Ambient Temperature Water
Item Weight	11.8
Item Type Name	Dispenser
Domestic Warranty	1
Domestic Warranty - Measuring Unit	Year
International Warranty	No
Covered in Warranty	Compressor, Thermostat, Heater Tank, Refrigerant leak
Not Covered in Warranty	1. Condenser coil, copper tubes, filter drier. 2. Plastic parts like deco panels, cold tank adapter & nut, tap and pusher accessories, cabinet door, gasket, shelf, drain & drip tray, Bottle mounting cap. 3. Fabricated parts like side panels, grills, cold tank assembly, back panel. 4. Electrical cables, switches, LED indicators, Door switch, float switch, sensor. 5. Relay, OLP, Capacitors. 6. Refrigerant leakage due to improper usage, coils external damage, improper site conditions. 7. Failure of parts due to incorrect usage, improper electrical supply & site conditions.
Tank Material and Specification	SS304 Food Grade

As a continuing policy of research and development in Blue Star, the design, features, technical specifications are subject to change without prior notice. The product images shown are for reference only and actual products may differ. Values mentioned are under standard tested conditions in lab. Actual performance values may vary with different ambient conditions. Features may vary from model to model.

Cooling Capacity (Litres/Hr)	3
Heating Capacity (Litres/Hr)	5
Refrigerant	R134a
USP with description (upto 9 USPs)	
USP Feature 1	Dispenses Hot, Cold and Normal Water
USP Description 1	Instant access to hot, cold, and normal water at the touch of a button. The hot water faucet is equipped with a child lock feature, providing enhanced safety and peace of mind.
USP Feature 2	Food Grade SS304 Tank
USP Description 2	The food grade stainless steel tank provides exceptional resistance to rust and corrosion, ensuring a hygienic and long lasting performance.
USP Feature 3	Convenient Drip tray
USP Description 3	This machine is equipped with a removable drip tray which makes drainage quick and convenient.
USP Feature 4	Function Indicating LEDs
USP Description 4	LED indicators provide a clear and intuitive display for enhanced visibility and functionality.
USP Feature 5	Quiet Performance

As a continuing policy of research and development in Blue Star, the design, features, technical specifications are subject to change without prior notice. The product images shown are for reference only and actual products may differ. Values mentioned are under standard tested conditions in lab. Actual performance values may vary with different ambient conditions. Features may vary from model to model.

USP Description 5	This machine operates with minimal noise, providing a quieter and peaceful environment.
USP Feature 6	Heavy Duty Compressor
USP Description 6	A sturdy compressor which guarantees durability and reliability.
